With Sally

Big news in town this week is the Daly City Record Cooking School which will be held on Tuesday and Wednesday afternoons of next week at the Daly City theatre. Local merchants have cooperated to bring this feature to you, and are offering a number of fine specials to help you.

Nucoa, for example, is selling for special prices all over town. You will find it a high-grade shortening for every purpose.

Of course, you'll want to use only the finest ingredients in your new recipes and we should like to suggest the following items: strictly fresh eggs, Robertson's Egg Store, 36c dozen for the large ones; pure cane sugar, Colma Pioneer Grocery, 10 pounds for 52c; Romino and Challenge oil, 75c a gallon, Vireno's Market; Val Vita Hot Sauce, 3c a can, Westlake Market.

Lucca Ravioli has a splendid special on imported South American cheese, 25c a pound.

Mayonnaise — Best Foods—at Miriam Grocery is 26c a pint. Daly City Cut Rate Market is featuring a closeout in Formay at 28c a package. And Farmers Market has Leslie's salt, 2 packages for 7c.

You won't want to forget the other phases of housekeeping at the same time. You'll find lots of exciting bargains in "Our Town" this week. See Page 6.

Sunburst tableware is just the thing in which to serve delicious foods. Daly City theatre gives a piece of dinnerware away free every Monday evening to each woman patron.

And how about a new stove? Byrne Radio is showing new gas ranges at really low prices.

Fine dinner wines may be had at Gelsi's place, 40c a quart.

And if you're too busy to make the dessert, Geneva Bakery will deliver a fresh pumpkin pie

BE SURE TO COME!

With meals to plan and prepare 365 days of the year, Mrs. Homemaker is always in the market for new suggestions for breakfast, luncheon or dinner. The Daly City Record has anticipated this need for a new culinary dress for the "three-a-day" and is bringing to Daly City an interesting version of the Happy Cooking school.

On next Tuesday and Wednesday afternoons the stage of the Daly City theatre will be transformed into a modern, efficient kitchen. Miss Carolyn Carr, an expert in the art of cookery, will have the ingredients all assembled, ready to turn them into some intriguing new dishes, to add interest to the routine work of meal preparation. And each recipe is to be simple and inexpensive to make, too.

You and your friends are cordially invited, so check the

right to your door, or Magnolia Pastry Shop will furnish you with a beautiful decorated cake.

As for flowers for that centerpiece, you'll have them right in your yard all the time if you acquire a few plants from the Daly City Nursery.

After the banquet is all over and you've really made a host of new friends with your cooking, don't forget to send the table linen to Beeson Cleaners for efficient and inexpensive laundering.

P. S. Mather Brothers has only one new Willys left at the new low price without defense taxes included. Like hot spaghetti, beans, tamales? See Donati and Hallett's ad on page 3. And don't forget that now is the time to buy coal for winter weather at low summer prices. H. H. Smith will serve you well.

Church as Stable

The churches of Kilkenny in Ireland have been put to various uses in the past. The cathedral has been a stable, the Franciscan Friary a tennis court, the Black Abbey a courthouse, while the parish church has served both as a barracks and a hospital.

Ghetto in Amsterdam

Probably no Ghetto in Europe has more American visitors than the one in Amsterdam. They come to No. 41 Waterloo Plein to see where Spinoza was born, and to the house at No. 4 Jodenbree street where Rembrandt lived for 16 years.

Largest Underground Canal
The world's largest underground canal flows from the port of Marseilles in France to the Port de Bouc, and is 4½ miles long, and has a width of 72 feet.

108 Miles of Tunnels
Tunnels aggregating 108 miles in length are part of the giant aqueduct which will carry Colorado river water to Los Angeles. The cost will be $220,000,000.

Automobile Ownership
Only one-quarter of America's 24,000,000 automobile owners have income of $60 a week or more, according to a survey reported by a South Bend, Ind., manufacturer.

Living Lion Guards
The doorway of the tomb of the Mohammedan saint Kalandar La Shahbas in the city of Sehwan, Sind province, India, is guarded by live, caged lions, reports Collier's.

Early Soil Conservation
One of the earliest suggestions of soil conservation in Massachusetts was an act of the general court in 1739, forbidding farmers to turn their live stock loose to feed on the meadows between Truro and Provincetown. Horses and cattle had eaten so much of the beach grass that the sand dunes were heading toward the meadow land.

Rock Imbedded Metals
Almost all metals are found imbedded in rock.

CORDUROY

Active sports frocks are numerous in corduroy this year. Mitzi Gould, of Columbia network's "Life Can Be Beautiful" serial, leads the cheering squad in a fine ribbed corduroy model of Copenhagen blue. It's a perfect golf dress, too, for those hardy girls who'll be on the links until snow falls. Note the clever belt with adjustable buckles, inverted pleat and notched collar. Gunpowder Plot

The famous gunpowder plot of history occurred when Guy Fawkes entered into a conspiracy to blow up the king, his ministers, and the members of both houses of parliament on November 5, 1605. His plans were discovered after he had placed barrels of gunpowder in the building and prepared them for ignition. He was tried, tortured, and publicly executed in 1606. Parliament set aside November 5 as a day of thanksgiving known as Guy Fawkes day, which continues to be celebrated in some parts of England.

Home Equality

An extensive survey taken at Pasadena, Calif., relative to father's place in the home, revealed that the majority of mothers believe if father will just keep out of the kitchen he isn't a bad person to help out along other lines of housework. The final conclusion was that America is achieving equality in home making—meaning that father is doing an increasing share of the "housework."
